

EACCC Daily Update on COVID-19

23-03-20 12:45

Dear EACCC Members and State Focal Points,

Due to the dynamic nature of the situation around the COVID-19 outbreak we are providing a brief daily update of the traffic situation in the network and information received from the Member States in the previous 24 hours.

A daily updated summary table of the most significant COVID-19 NOTAMs can be found on the NOP portal at:

https://www.public.nm.eurocontrol.int/PUBPORTAL/gateway/spec/index.html

Traffic situation

Summary from the states and aviation organisations

Please note that this is not a replacement for the factsheet. The information below is a short summary of current events received in the past 24 hours.

	145 H
Austria	VIE will remain open H24 and LNZ 0530 – 2400 CET. NOTAMs are
	published if necessary.
Azerbaijan	Operational Headquarters under the Cabinet of Ministers monitors overall
	COVID-19 situation and takes necessary measures and decisions.
	Visas upon arrival at Azerbaijan International Airports are not available
	since 13 March 2020 04:00 UTC.
	Passengers upon arrival:
	- must fill in the public health passenger locator form
	- will be tested for COVID-19,
	-will be placed in quarantine for min 14 days.
	Only Pax with Azerbaijan citizenship, holders of residence and work
	permits are allowed to enter Azerbaijan.
	Pax with other nations may be granted to enter country in case they have
	special permission from Azerbaijan government.
	International flights to/from Azerbaijan are restricted (except cargo
	flights), and subject to clarification with slot coordination center.
	The detailed information is in the Relevant NOTAMS: A0019/20,
	A0029/20, A0030/20
Bulgaria	Please be informed that Bulgaria has issued two new NOTAMs - A0267
	and A0271 with passenger restrictions due to COVID-19.
Czech Republic	The number of confirmed cases in the Czech Republic has now reached
	774 and 4 people have been cured. In response to the coronavirus
	pandemic, the Czech government has declared a 30-day State of
	Emergency. Among other things, it introduces a complete ban on travel,
	coming into effect on March 16. Czech citizens and foreigners resident in
	the Czech Republic are not allowed to leave the country starting at
	midnight from Sunday to Monday, 16 March, with certain exceptions. At
	the same time, a similar ban applied to foreigners who would like to come
	to the Czech Republic and do not have permanent or long-term temporary
	residence. This measure does not apply, inter alia, to transport aircraft
	crews.
	crews.
	Appropriate NOTANAs were published this week
111	Appropriate NOTAMs were published this week.
Iceland	Iceland has implemented the travel restrictions imposed for the Schengen
	Area and the European Union.
	As of 20 March 2020 and until 17 April 2020, foreign nationals - except
	EU/EEA, EFTA or UK nationals - are not allowed to enter Iceland.
Ireland	The Department of Foreign Affairs and Trade advises against all non-
	essential travel overseas, including Great Britain, but does not apply to
	Northern Ireland. A do not travel advisory is in force for Italy. These
	decisions were taken on the advice of the National Public Health
	Emergency Team to combat COVID-19 and in view of the imposition of
	new restrictions on entry by many countries and the ongoing reduction in
	international flight services.
	meerinational ingresservices.

	The Irish Health Authorities require anyone coming into Ireland, apart from Northern Ireland, to self-isolate on arrival for 14 days. This includes Irish residents. Exemptions are in place for providers of essential supply chain services such as aircrew.
	Airline Operators have been instructed to announce on board all flights prior to the arrival in Ireland of the passenger (including Irish Residents) requirement to self-isolate on arrival for 14 days and to consult www.hse.ie for further information. If during this period the passenger develops symptoms to contact a doctor to arrange for testing.
Romania	As of yesterday (22.03.2020), 20.00UTC new passenger restrictions are in place. Also, the flight restrictions applicable for flights from/to Italy have
	been extended with 14 days.

Summary of measures applied by states

This table may only be used as an indication of measures taken by the listed states and is provided for your convenience. Since the information is highly compressed, it cannot give the granularity of the actual measures and <u>should not</u> be used for decision and policy making.

Please refer always to the official State publications and NOTAMs

Type of measure	State(s)
Flight prohibitions, restrictions	Albania Algeria Armenia Austria Azerbaijan
